Hello,

I made some of your changes. The revision is attached. If you can get the NMMB to say Opioid Antagonist, I will change it. Remember, this presentation at the June NMBOP meeting is only to request this to be noticed for hearing. But if you are available, you can make any suggestions you want then. The actual hearing will be in August or October. It might not be August because this meeting will be in Ruidoso. And people will have a harder time getting to Ruidoso. When the hearing is held, you will know, and I hope you are there.

Thank you, Ben

Ben Kesner

Subject: RE: Naloxone

Good Afternoon,

Sorry it has taken me some time to get back with you on this, I've been out of the office due to a family emergency and just got the chance to take a look at it. A lot of it looks very similar to what I had down and didn't get the chance to send out due my time out of the office. I did make a few minor changes to the naloxone section, I'm not comfortable enough with school-based regulations to make changes on that, primarily I simplified the definition of a CBO licensed facility, and moved the limitations of ownership into the CBO section itself. I also removed the NM board standing order portion. To the best of my understanding there is not a standing order needed for the administration of naloxone as there is a statute and regulation that already provides for that with 24-23-1 NMSA 1978 and NMAC 7.32.7. I also removed mention of naloxone and replaced it with opioid antagonist, again this would allow for another potential antagonist to be used if one became available and would not force a regulation change. I hope this all makes sense and thank you so much for working on this Ben. If there are any questions please feel free to let me know and I will be more than happy to answer them for you. I hope you have a great day and again I apologize for the delay.

Thank you,

Josh
